Report of the statutory auditors on the share capital reduction

Combined Annual General Meeting of November 20, 2025 (25th resolution)

At the Annual General Meeting of EUTELSAT COMMUNICATIONS,

In our capacity as statutory auditors of your company and in accordance with the provisions of Article L. 22-10-62 of the French Commercial Code in the event of a capital reduction through the cancellation of purchased shares, we have prepared this report to provide you with our assessment of the reasons for and conditions of the proposed capital reduction.

Your board of directors proposes that you delegate to it, for a period of 18 months from the date of this meeting, all powers to cancel, within the limit of 10% of its capital (adjusted, where applicable, in line with transactions affecting the share capital after the date of this meeting), per 24-month period, shares purchased under the implementation of an authorization for your company to purchase its own shares within the framework of the provisions of the aforementioned article.

We have carried out the procedures we deemed necessary in accordance with the professional standards of the French National Institute of Statutory Auditors (Compagnie Nationale des Commissaires aux Comptes) relating to this assignment. These procedures involve examining whether the causes and conditions of the proposed capital reduction, which is not likely to affect the equality of shareholders, are regular.

We have no comments to make on the causes and conditions of the proposed capital reduction.
